

Impulse Dual Multi Press

Details

The Impulse PL Dual Multi Press is one of the eight key pieces within this high performing fixed resistance range. The Duals range has been designed with ease of use and ultimate functionality in mind. While the range only includes eight machines, each has a dual movement pattern that enables gyms to create a 16-station fixed resistance zone with half the equipment.

Each piece is designed and constructed to withstand the heavy use of busy commercial gym environments. At the same time, the design, setup and movements are all intuitive and easy to understand for users with varying levels of experience. This makes the PL range perfect for hotels, education facilities and commercial gyms alike where floor space is always at a premium.

Range Features

- Adjustable starting position to accommodate users of all sizes and to provide stability and comfort
- Highly visible yellow adjustment levers
- Sleek grey upholstery and silver frame fits in with all gym surroundings
- Dual use design offers more functionality in fewer fixed resistance stations

The Dual Multi Press features:

- Back upholstery adjusts between 4 angles: 90, 120, 150 and 180 degrees
- 5 level adjustments for various exercises such as; Chest press, Incline press and Shoulder press
- Dual handles accommodate all users
- Easy-to-use, minimal adjustments and pre-stretch features allow for optimal exercise positions.
- Compact - Space efficient design requires minimal floor space
