

Basketball 24-second shot clocks - Pro 24

Details

Pro model shot clocks for integrated operation with a Continental scoreboard. These are radio frequency controlled clocks and are operated by the same control panel that controls the scoreboard.

These clocks must be mounted on the basketball goals on a bracket behind the backboard. For backboard mounting the additional support brackets must be purchased.

Each clock has an integrated horn and a main match time repeater clock.

13amp supply must be provided in the location of each clock.

- Dimensions: 770 x 570 x 90mm
- Digit height: 20 and 16cm
