

Parallel bars - coaching platform

Details

Ref. 251B parallel bar coaching platform which enables a coach to stand at the gymnasts level whilst on the parallel bars to provide coaching and support.

The platform simply slots over the rails and folds flat for storage

Suits all makes and models of parallel bars

Supplied with a grey coloured carpet surface and red epoxy powder coated steel frame unless specified otherwise

The hooks have a protective lining to ensure they do not damage the parallel bar rails
