

SPIETH - Vario balance beam "Maxi"

Details

The Maxi wide beam from Spieth is 20cm wide rather than the standard 10cm wide.

This facilitates methodical training on a 'Soft Top' beam to help learn complex moves, with the reassurance of a wider area to land on but exactly the same feel as a standard beam

- width 20 cm
- for simple progression from a low beam to a high one
- suitable for learning new elements at height
- 500x20 cm (l x w)
- height adjustment: 50 to 90 cm per 10 cm, 90 to 130 cm per 5 cm
- Feet remain in position upon height adjustment
- Mats can be left safely in place at any height
