SPIETH - Pommel pads

Details

Practice pads for use on the pommel bench or horse and measure 14cm wide x 4cm thick.

These pads are pre-shaped and are covered with foam and nylon. They are simple to attach using a quick fastener.

Features:

- Ergonomically shaped
- Simple to attach firmly
- For use instead of next to the pommels
- Ideal for methodic training
- Designed to help protect the wrists

The price is for TWO pads (ONE pair)
