

3G "Original" Integral weighted football goals

24HUFBL63X

Details

The UK's best selling weighted goal. Our most popular portable football goal. Completely safe to use at all times, eliminating the users responsibility of attaching separate anchorage. The unique roller system allows easy manouverability.

The unique roller system with Hi-Raise wheels allows easy manoeuvrability on synthetic and 3G surfaces. Fully welded corner joints provide superior strength and added safety.

- Backbar consisting of twelve individual galvanised steel rollers
- 2 x 360 degree cellular rubber swivel wheels
- Uprights & Crossbars made from 102mm x 112mm x 2.2mm thick reinforced aluminium
- Welded crossbar/upright corner joints provide added strength and aesthetic appearance
- Full length 31.8mm diameter x 1.5mm galvanised steel international back tubes
- Full length bottom net retaining bar
- Polyester powder coated white (excluding rollers)
- Complete with 140 lock-on synthetic net hooks per set
- Including a pair of 4mm polyethylene nets

Available in two sizes:

- Senior - 7.32m x 2.44m
- Junior - 6.4m x 2.13m

Please Note: Integral weighted goals with a weighted roller are not suitable for use on grass pitches therefore would recommend our weighted portagoal range for this purpose.
