

3G Aluminium Parks Football Goal - socketed

24HUFBL56X

Details

Designed and manufactured for clubs and ground staff that regularly assemble and remove football goal posts from shared or public pitches.

Easily assembled by two adults, the heavy duty latch mechanism provides a quick method of securing the posts and crossbars, while the lock-on synthetic net hooks make attaching the net effortless.

Manufactured from 102mm x 112mm x 2.2mm thick reinforced aluminium

Welded crossbar/upright corner joints provide added strength and aesthetic appearance

Polyester powder coated white

Complete with latch mechanism and 100 unique lock-on synthetic net hooks

460mm deep elliptical sockets complete with drop-in socket lids. The sockets require setting into concrete in the ground. Installation is not included.

Complete with a pair of 2.5mm polyethylene nets

Available in two sizes:

- Senior - 7.32m x 2.44m
- Junior - 6.4m x 2.13m
