

Table tennis surrounds

24_JT222XX

Details

These JOOLA table tennis surrounds provide quick and easy separation between tables.

They are available in two lengths:

- 2.0m
- 2.3m

and comprise pvc on tubular frame surrounds.

The units break down into components measuring a maximum of 1.2m and are 730mm high

Available in two choices of colour:

- Green
- Blue

The surrounds are available in the following designs:

- "Neutral" unprinted
- JOOLA branding

They are also available printed with custom graphics at additional cost - please contact us for details and a quotation.
