Climbing wall

Details

Develop balance and climbing skills whilst having great fun!

The climbing wall is supplied as two base units with five removable climbing holds / ledges.

The unit **must** be positioned against a wall.

Made of 24kg/m3 polyurethane foam. Complies with Directive 2005/84/EC regarding early years. The Climbing Wall is covered in an extremely durable fabric:

- flame retardant to M2 class
- phthalates free
- does not contain solvents
- does not contain VOCs
- the fabric is certified to Oeko-Tex Standard 100 (textiles free of harmful substances) and is washable with soap and water
