* If you do not have wall bars which are necessary to use this item, we can supply and install suitable wall bars, or you can select the set without this item. If you don't have wall bars and therefore choose not to have this item we recommend adding an additional large cube to your purchase to provide the full range of activities from this set.

We also offer cubes and walls with "urban graphics" printed onto the sides. Please select "plain" for the standard hi-grip finish to all sides, or "urban graphics" for the urban effect on all sides of walls and two sides of cubes (other sides remain as hi-grip textured for increased flexibility). We will contact you with the choice of images on receipt of your order.

PLEASE NOTE: The large cube requires a minimum access door / storeroom door height of 2,070mm
