

Matrix Performance Elliptical Trainer

MXPERFSEXX

Details

The Matrix Performance Elliptical Trainer sets the standard for low-impact, high-intensity workouts and stands up to a steady stream of users.

The patented suspension design is completely wheel- and track-free, reducing noise and minimizing friction to extend product life, while constant rate of acceleration provides an ultra-smooth feel all the way through the ellipse.

Ergo Form grips, contralateral handlebar action, optimized pedal spacing and oversized pedals make every movement feel natural.

Convenience features include low step-on height, rear entry, contact and telemetric heart rate tracking, a water bottle holder and an accessory tray.

A smart design featuring top-down levelers and a removable disk makes service and maintenance easier than ever

Features:

- 53 cm / 21" stride length
- 24 cm / 9.5" step-on height
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Performance Elliptical Trainer is available with a choice of four consoles:

<b>Standard LED</b> - easy to read simple display with large numbers	<b>Group Training LED</b> - large easy to read LED screen with features to assist with group exercise classes	<b>Premium LED</b> - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity	<b>Touch LCD</b> - full colour, display including Virtual sessions
