

# PE Belts for twisting ring

PE Belts for twisting ring

## Details

This innovative twisting belt system from PE Redskaber uses a PE-Twisting Ring with removable PE-Belts to allow you to offer a Small, Medium or Large Twisting belt but only requiring the purchase of one ring and a set of interchangeable belts. The PE-Twisting Ring is one-size to suit all three PE-Belts which are available in 3 sizes to suit different waist sizes:

- Small (YELLOW): 63 – 73 cm (25" - 29")
- Medium (RED): 71 – 88 cm (28" - 35")
- Large (BLUE): 82 – 105 cm (32" - 41")

The PE-Belts are also available in packs of two at a reduced cost:

- One Small and one Medium PE-Belt
- One Medium and one Large PE-Belt

**PLEASE NOTE:** These are the PE-Belts only which can be used as somersault / agility belts. If you want to use them as twisting belts you need to purchase a separate PE-Twisting Ring

You can see the innovative PE-Twisting Belt System in use in the video below:
