Multisports electronic scoreboard - COMPACT 7020/7120

24STMS702X

Details

A school / club / leisure centre standard multisports electronic scoreboard for wall mounting. This is Continental's recommendation for general multi-sports facilities which offer higher level basketball such as county or league basketball and where handball will be played regularly.

This scoreboard is identical to our standard MS3000 scoreboard but includes individual player foul modules and 3-digit penalty timers for handball.

Features:

- Separate rechargeable console in a carry case with radio frequency remote control
- Multisport programme - built in support for 11 sports: Basketball, Handball, Volleyball, Tennis, Table Tennis, Badminton, Roller-Hockey, Uni-Hockey / Floorball, Five-a-side / Futsal, Netball, Boxing
- Additional timer programmes - Timer Function, Training Timer Function, "Free" mode
- Player numbers from 4 to 15 with indivudal player fouls
- Display of the scores, the timer, the match period, the team faults, and the time outs
- Horn
- Ball possession indicators
- Charger for the console
- Mains cable
- Instructions for use

Details:

- Dimensions: 2700 x 1000 x 90mm
- Weight: 54kg
- Digit height: 15 and 16cm
- 17 digits in 3 colours
- Distance of readability: 60m
- Angle of readability: 160
- The 7020 version has "HOME" and "GUESTS" permanent team names. The 7120 version has user programmable 2 x 9 digit team names. If you purchase the version with programmable team names, when team names are not being displayed the board can display a scrolling message across the screen.

The price of this scoreboard is supply only. If you would like Continental's technicians to install this scoreboard, please also add scoreboard installation to your basket.
