

Multisports electronic scoreboard - ECO 800

Details

A budget multisports electronic scoreboard for wall mounting. This is Continental's recommendation for school facilities where budgets will not stretch to our recommended MS3000 scoreboard. Typically mounted 4.5m to 5m above floor level. Available on a supply only basis or installed by Continental's technicians to a 13amp power supply provided by others.

Features:

- Separate rechargeable console in a carry case with radio frequency remote control
- Multisport programme - built in support for 11 sports: Basketball, Handball, Volleyball, Tennis, Table Tennis, Badminton, Roller-Hockey, Uni-Hockey / Floorball, Five-a-side / Futsal, Netball, Boxing - but with limited display information for each of these sports
- Additional timer programmes - Timer Function, Training Timer Function, "Free" mode
- Display of the scores and the timer
- Horn
- Charger for the console
- Mains cable
- Instructions for use

Details:

- Dimensions: 1000 x 640 x 90mm
- Weight: 15kg
- Digit height: 15cm
- 8 digits in 1 colour
- Distance of readability: 60m
- Angle of readability: 160

The price of this scoreboard is supply only. If you would like Continental's technicians to install this scoreboard, please also add scoreboard installation to your basket.
