Details

Traditional high density heavyweight Tatami judo mats.

The mats feature a vinyl surface and are constructed using a special heavy density fire retardant foam. The vinyl cover has a traditional rice-grain "Tatami" embossed surface pattern. An optional frame is available to hold a group of mats together to create a competition area.

These mats are typically purchased in quantities to create different size combat areas as follows:

- A basic 8m x 8m combat area requires 32no. 2m x 1m green mats.
- You can then add a 1m red zone around the combat area to give a 10m x 10m area which requires a total of 32no. 2m x 1m green mats and 18no. 2m x 1m red mats.
- If you have more room you can add a 1m green outer safety zone to give a 12m x 12m area which requires a total of 54no. 2m x 1m green mats and

18no. 2m x 1m red mats.

- To scale up to the full 14m x 14m competition size area with a 2m outer green safety zone you would require a total of 80no. 2m x 1m green mats and 18no. 2m x 1m red mats

The mats are available in four dimensions:

- 1m x 1m x 40mm
- 1m x 1m x 50mm
- 2m x 1m x 40mm
- 2m x 1m x 50mm
