Mat set for Freestanding Uneven Bars "Club"

Details

The perfect mats to use with the Spieth freestanding uneven bars.

Foldable landing mats for easy storage and transport

The set contains:

- 1 frame mat
- 2 foldable crash mats 200 x 200 cm
- 2 coupling strips
- 4 VELCRO strips for storage

The mats are carpet surface with a top layer of warmth-absorbing needlepunch felt. They feature fast force reduction, a high level cushioning and are very stable.

The mats are identical to the FIG competition mats but fold up within the stored uneven bars.

They are easily transportable and compact for storage
