

Little SAM PRO

Details

The Little SAM Pro is an ideal portable solution for a side-court unit or as a main recreational competition unit in a smaller hall. The Little SAM Pro is supplied with an acrylic 180 x 105 cm backboard

The goal features:

- 155 cm projection;
- gravity- and spring-assisted set-up system;
- full-size 10 mm acrylic backboard 180 x 105 cm mounted on metal support frame;
- unidirectional breakaway ring;
- anti-whip net;
- blue safety padding to front, sides and backboard;
- floor connector set and floor hook inclusive;
- easy flip-down lower front panel lowers unit on wheels for transport.

Hall length	Requirements
< 31.6m	DOES NOT FIT
31.6m - 32.1m	Goal fits, but side anchoring is required
> 32.1m	Goal fits with standard anchoring
