Multisports electronic scoreboard - COMPACT 7020-2/7120-2

24STMS7X20-2

Details

A school / club / leisure centre standard multisports electronic scoreboard for wall mounting. This is Continental's recommendation for general multi-sports facilities which have a focus on basketball and where higher level basketball such as county or league basketball is played.

This scoreboard offers the range of functionality on our standard scoreboards, but also features programmable team numbers (rather than fixed 4-15 numbers) and individual player foul modules for basketball.

The larger player foul modules used to accomodate the programmable player numbers result in an additional advertising panel incorporated within the scoreboard. This is a plain polycarbonate panel onto which a vinyl advertising logo or message can be applied (by others).

Features:

- Separate rechargeable console in a carry case with radio frequency remote control
- Multisport programme - built in support for 11 sports: Basketball, Handball, Volleyball, Tennis, Table Tennis, Badminton, Roller-Hockey, Uni-Hockey / Floorball, Five-a-side / Futsal, Netball, Boxing
- Additional timer programmes - Timer Function, Training Timer Function, "Free" mode
- Programmable two-digit player numbers from 0 to 99 with indivudal player fouls
- Display of the scores, the timer, the match period, the team faults, and the time outs
- Horn
- Ball possession indicators
- Charger for the console
- Mains cable
- Instructions for use

Details:

- Dimensions: 2700 x 1300 x 90mm

- Weight: 53kg
