

Matrix RXP Rower

Details

The RXP Rower from Matrix is the world's leading magnetic resistance rower.

Coupled with the "Target Training Display" which is designed for goal-based training, the RXP rower will reinvigorate rowing and make your facility stand out. The unique LED wrap helps trainers and members gauge intensity with bright colors and the integrated testing protocols allow members to establish personalized targets just right for their ability level. Whether measuring watts, 500-meter split, heart rate, SPMs, distance, calories or powering through a HIIT workout, members will be more motivated to hit their target.

The RXP rower features:

- Brushed aluminum flywheel with 10 precise magnetic resistance settings offers challenge to first-time users and experienced rowers alike
- Adjustable, backlit console makes it easy to set your training goal and measure your results
- Clearly defined quick keys provide instant access to sprinting, distance rowing and high-intensity interval training programs
- Compact footprint offers easy placement virtually anywhere in your facility
- Ergonomic contours of the seat makes intense training sessions more comfortable than ever
- Seat lock offers enhanced stability when getting on or off the rower
- Long, reinforced handle includes a comfort-enhancing over-mold that allows both large and small users to comfortably pull stroke after stroke
- Heel cups include quick release buckles that let users quickly get off the rower, ideal for circuit training
- Can be tilted up to minimize footprint, and built-in wheels make it easy to roll the rower into storage or to a new place on your circuit training floor
- High-quality cord is paired with a long aluminum rail reinforced with stainless-steel strips to stand up to a steady stream of users in the busiest exercise environments
