Outdoor cricket scoreboard

240STFCXX

Details

Cricket scoreboard for outdoor use.

The scoreboard is available in two versions:

- 16cm high digits for 70m readability
- 25cm high digits for 120m readability

The scoreboards measure:

- 70m readability - 2100mm x 1200mm x 90mm
- 120m readability - 2600mm x 1800mm x 90mm

Both scoreboards are operated by a battery powered rechargeable radio frequency control console.

The prices shown are for supply only. If you would like Continental Technicians to install your scoreboard please contact us for a quotation.

The scoreboards can be installed on either a pair of vertical I-beam steel columns, or a suitable wall.

SKU	Options	Available Colours
240STFCBXX	70m readability	N/A
240STFCFXX	120m readability	N/A
