

3G Aluminium Integral Weighted Five-a-side Portagoals

24HUFBL64X

Details

Self-weighted portable aluminium five-a-side goals. Complies with BS 8462 safety standards without the need for any separate anchorage. Backbar consists of individual galvanised steel rollers.

These five a side goals are available in the three standard five a side sizes:

- 2.4m (8') long x 1.2m (4') high - for mini play
- 3.6m (12') long x 1.2m (4') high - for junior / senior play - our most popular size for secondary schools, universities and leisure centres. Our most popular size
- 4.9m (16') long x 1.2m (4') high - for senior play - wider senior goals required by certain adult five a side teams

The goals feature:

- Uprights, crossbars and sidebars made from 102mm x 112mm x 2.2mm thick reinforced aluminium
- Welded crossbar/upright corner joints provide added strength and aesthetic appearance
- Full length bottom net retaining bar
- Handles on sidebars make movement easier
- International net supports and diagonal braces manufactured from 31.8mm diameter x 1.5mm thick galvanised steel
- Polyester powder coated white (excluding backbar)
- Backbar consisting of individual galvanised steel rollers
- Complete with lock-on synthetic net hooks
- Complete with a pair of polyethylene nets

PLEASE NOTE: This is a supply only item and some basic self-assembly is required.
