Details

Permanent, socketed, steel five-a-side football goals

Available in three standard five a side goal sizes:

- 2.4m (8') long x 1.2m (4') high - for mini play
- 3.6m (12') long x 1.2m (4') high - for junior / senior play - our most popular size for secondary schools, universities and leisure centres. Our most popular size
- 4.9m (16') long x 1.2m (4') high - for senior play - wider senior goals required by certain adult five a side teams

The goals feature:

- Manufactured from 50mm diameter x 2.6mm thick steel
- Polyester powder coated white
- Complete with 31.8mm diameter fixed side frames
- Uprights and back frames designed to be cemented directly into the ground
- No sockets but set permanently into the ground
- Complete with 2.5mm polyethylene nets

PLEASE NOTE: This is a supply only item and some basic self-assembly is necessary. This goal has sockets which require setting into concrete by others.
