

Premier curved team shelters

24HUSHE0XY

Details

Premier Curved Team Shelters are available in the following sizes:

- 8 person - 4m long
- 10 person - 5m long
- 12 person - 6m long

Shelters must be secured at all times. We offer two versions:

- Freestanding - which must be bolted down to a concrete pad, fixed into turf using spira-locks, or fixed back to a secure column or post
- Socketed - with extended uprights for securing into sockets set into concrete

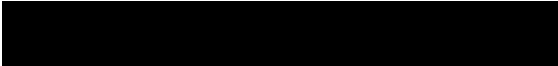

The shelters are 2.05 metres high allowing full standing access, with a total external depth of 1.57 metres and an internal depth of 1.3 metres.

- Manufactured from 50 x 50mm bespoke aluminium extrusion
- Polyester powder coated white
- 4mm thick clear copolyester side and back sheets
- Individual injection moulded polypropylene seats

The seats are available in the following colours:

- Red
- Blue
- Black

PLEASE NOTE: This is a supply only item and some basic self-assembly is necessary. Team Shelters must be anchored correctly at all times.
