NETBALL POSTS – COMPETITION – ANCHORED VERSION

OPERATION

1. Put netball posts in place
2. Attach the thumbscrews through the base of the post into the anchors in the floor and tighten until the base is held firmly against the floor
3. Adjust the height of the post using the thumbscrew towards the top of the upright to remove the ring and re-install it to achieve junior or senior heights.

See recommendations in the Continental maintenance manual concerning regular maintenance inspections and reports.
